

Mollie to Retire

After 33 years of banking in Eastern Iowa, Mollie Fisher has announced that she will be retiring on April 30.

Her service to Mount Vernon Bank & Trust Company began in March 2020. She previously worked since 1991 at banks in Cedar County.

She's worn many hats over the years – including at Mount Vernon Bank & Trust. Starting as a teller in Tipton, Mollie's experience included loan administration, lending, bookkeeping, account opening and general customer service. Those skills served her well at Mount Vernon Bank & Trust Company.

“Although her job title here was loan administrator, Mollie jumped right in wherever she was needed,” said senior vice president Jake Krob. “She’s a helper – always willing to take time to assist customers and lend a hand to coworkers.”

A Tipton native, Mollie lives in rural Mechanicsville with her husband, Kevin. In retirement, she says she’s looking forward to spending time with her five grandchildren, as well as traveling more.

Free Community Shred Day

Don't miss the opportunity to get rid of sensitive, personal information in a fast and safe method.

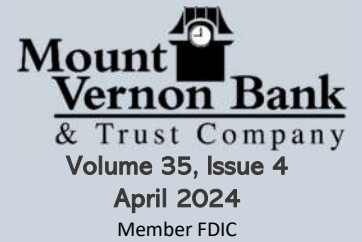

Come to the upper bank parking lot on Saturday, April 27, 9 to 11 a.m., and Heartland Shredding, Inc. will have their industrial shredder here for your document destruction. You do not need to remove staples. Up to one large tote per person, please.

Chalk The Walk

With Spring on its way, Mount Vernon's festival season will soon be upon us. With that in mind, please be aware that access to the bank during festivals with street closures, should be available through the 3rd Avenue SW alley entrance (behind the First Brick Art Gallery & Antiques building). Our lower drive-up will be open during Chalk the Walk.

This year's Chalk the Walk community piece is "Frida Kahlo with Parrot," created by artist Alina Dalinina from Zhytomyr, Ukraine. Volunteers are still needed for this event. For more information, or to sign up, go to the visitmvl.com website.

Online Banking Redesign Coming Soon

We are excited to announce that on April 25th, the GoBanking (online banking) site will be sporting a new look. This revamped version comes with enhanced features and a fresh modern design.

There is nothing that you have to do for the updated version. When you login, on or after the 25th, the new version should be available for you.

More information will be forthcoming through our website and our GoBanking site.

Current View

The screenshot shows the current online banking interface. At the top left is the Mount Vernon Bank & Trust Company logo. A dark blue navigation sidebar on the left contains menu items: Accounts, Transfers, Bill Payments, Text Banking, Preferences, Correspondence, and Links. The main content area is titled 'Account Summary' and shows 'Checking' accounts. A table lists 'Sally's Checking' with an 'E-checking' option and an 'Available Balance' column. To the right, there are sections for 'Notifications', 'Account Summary Option' (with 'Print Page' and 'View Statements and Notices' links), and 'Financial Tools' (including Annual Percentage Rate, Millionaire, Mortgage, Mortgage Qualification, Retirement, Savings, and Simple Loan Payment).

Updated View, coming April 25th.

The screenshot shows the updated online banking interface. At the top, it says 'Good Morning' and has a 'Home' button. Below this is a row of four large, rounded square buttons: 'New Transfer' (with an upward arrow icon), 'Bill Pay' (with a dollar sign icon), 'Account Alerts' (with a warning triangle icon), and 'Messages' (with an envelope icon). Below this row is an 'Account Summary' section with a tabbed interface. The 'Checking' tab is selected, showing 'Jason's Checking' with account number '1237'. Below that, it displays 'Available' and 'Current' balances.
